Tel: (03) 9850-8282

PERSONAL PARTICULARS

Sex	Male
Year of Birth	1962
Nationality	Australian citizen

EDUCATION

1993 Ph.D., University of British Columbia, Vancouver, Canada.
1989 M.A., University of British Columbia, Vancouver, Canada.
1988 M.Soc.Sci., National University of Singapore, Singapore.
1986 B.Soc.Sci.(Hons.), National University of Singapore, Singapore.
1985 B.A., National University of Singapore, Singapore.

EMPLOYMENT

2003 to present Senior Research Fellow, Melbourne Institute of Applied Economic and Social Research, The University of Melbourne.

2002 to 2003 Research Fellow, Melbourne Institute of Applied Economic and Social Research, The University of Melbourne.

1999 to 2002 Senior Lecturer, Department of Economics, National University of Singapore.

Oct 2000 to Dec 2000 Visiting Scholar, Department of Economics, University of Sydney, Australia (on sabbatical leave from National University of Singapore).

Jan 2000 to Oct 2000 Visiting Scholar, Department of Economics, Monash University, Australia (on sabbatical leave from National University of Singapore).

1998–99 Assistant Director, Centre for Advanced Studies, National University of Singapore.

1993–98 Lecturer, Department of Economics, National University of Singapore.

RESEARCH FUNDING

2008 (a) “Australia-Japan Business Survey 2008,” (with Beth Webster, Tim Harcourt and Anne Leahy), research grant from the Australia-Japan Foundation, funding amount \$97,900 for one year. (Lead researcher: J Yong)

(b) “Effects of Private Health Insurance on Health Care Usage and Health Outcomes in Australia,” (with Alfons Palangkaraya and John W. Freebairn), ARC Discovery Project grant, funding amount A\$107,829 over three years from 2008 (First-named Chief Investigator: J. Yong).

2006 (a) “Uncertainty and Innovation,” (with Elizabeth Webster, Paul Jensen, Alfons Palangkaraya and Kay Collins), ARC Linkage Project grant with linkage partner IP Australia, funding amount A\$455,000 over three years from 2006.

(b) “Does Private Health Insurance Improve Health in Australia,” (with John W. Freebairn), Melbourne Research Development Grant Scheme, funding amount A\$20,000 for one year (First-named Chief Investigator: J. Yong).

2005 “The Impact of Supplemental Health Insurance on Health Outcomes: Evidence from Australia,” (with Alfons Palangkaraya), Faculty of Economics and Commerce (University of Melbourne) Research Grant, funding amount A\$10,000 for one year (First-named Chief Investigator: J. Yong).

2004 (a) “Measuring Hospital Performance: Outputs, Quality of Care, Competition and Efficiency,” (with E.M. Webster, W.E. Griffiths, D.E. Bosworth, and P.

Rosendale), ARC Linkage Project Grant with linkage partner the Victorian Department of Human Services, funding amount A\$390,000 over three years from 2004 (First-named Chief Investigator: J. Yong).

- (b) "On the Equity of Subsidizing Private Health Insurance: Profiling Households Using National Health Survey Data," (with E. Webster), Faculty of Economics and Commerce (University of Melbourne) Research Grant, funding amount A\$15,000 for one year (First-named Chief Investigator: J. Yong).
- (c) "A Research Program on Health Economics," (with J. Freebairn, P. Jensen, S. King, A. Palangkaraya, and E. Webster), Faculty of Economics and Commerce (University of Melbourne) Seeding Grant, funding amount A\$100,000 over two years from 2004, to fund the development of a health economics research program at the Melbourne Institute (Lead researcher: J. Yong).

2003 "The Evolution of Australian Enterprises, 1990 to 2007: An Empirical Analysis of the Relationship Between Turbulence Among Firms, Productivity, Growth and Exports," (with E.M. Webster, T.R. Fry, M.J. Klee, and T. Harcourt), ARC Linkage project with linkage partners the Australian Bureau of Statistics, the Productivity Commission, IBISWorld, Victorian Department of Treasury and Finance, and Austrade, funding amount \$405,000 over three years from 2003.

- 2001** (a) "Airline Alliances: Cost Saving or Competition Reducing?" (With Mark Goh), research funding by the Faculty of Arts and Social Sciences, National University of Singapore, funding amount S\$33,200 over two years (Lead researcher: J. Yong).
- (b) "Evaluating Auction Mechanisms in the Siting of Environmentally Obnoxious Facilities Using Experiments," (with Euston T.E. Quah), research funding by the Faculty of Arts and Social Sciences, National University of Singapore, funding amount S\$21,700 over two years (Lead researcher: J. Yong).

RESEARCH INTERESTS

- Industrial Economics and Market Structure
- Health Economics
- Competition Policy and Regulatory Economics

RESEARCH IN PROGRESS

- (a) "Defining markets for hospitals in Victoria." (with Alfons Palangkaraya)

- (b) "Hospital competition and quality." (with Alfons Palangkaraya)
- (c) "Effects of hospital size and specialisation on quality of care." (with Alfons Palangkaraya)
- (d) "On income, personality and happiness: an investigation of subjective well being using Australian household panel data." (with Stefanie Schurer)
- (e) "The value of Australian patents." (with Paul Jensen)

PAPERS UNDER REVIEW BY PROFESSIONAL JOURNALS

- (a) Leahy, A., A. Palangkaraya and J. Yong, "Geographical agglomeration in Australian manufacturing," revised and resubmitted to *Regional Studies*, May 2008.
- (b) Palangkaraya, A. and J. Yong, "Exporter and non-exporter productivity differentials: Evidence from Australian manufacturing establishments," to be revised and resubmitted to *The Economic Record*.
- (c) Palangkaraya, A. and J. Yong, "Technological change or catching-up? An analysis of entering, exiting, and surviving plants in the Indonesian electronics manufacturing industry," to be revised and resubmitted to the *Journal of Asian Economics*.
- (d) Yong, J. "A Core Theoretic Approach to Horizontal Monopolization: Can Outsiders Spoil the Game?" under review by *Economic Theory*.
- (e) Chua, C.L., A. Palangkaraya and J. Yong, "A two-stage estimation of hospital quality using mortality outcome measures: An application using hospital administrative data," under review by *Health Economics*.
- (f) Palangkaraya, A. and J. Yong, "Population Ageing and its Implications on Health Care Demand: Empirical Evidence from 22 OECD Countries," under review by the *International Journal of Health Care Finance and Economics*.
- (g) Palangkaraya, A. and J. Yong, "Trade liberalisation, exit, and output and employment adjustments of Australian manufacturing establishments," under review by *The World Economy*.

RECENT CONFERENCE AND INVITED PRESENTATIONS

- 2008**
- (a) "A two-stage estimation of hospital quality using mortality outcome measures: An application using Victorian hospital Data," presented at the *2008 Far Eastern and South Asian Meeting of the Econometric Society (FEMES)*, 16–18 July 2008, Singapore Management University, Singapore.
 - (b) "In the Shadow of the China-Australia FTA Negotiations: What Australian Business Thinks about IP," public seminar, IPRIA in association with Australia China

Business Council, 20 February 2008 in Melbourne; 21 February 2008 in Sydney; and 28 February 2008 in Brisbane.

- 2007** (a) "Parallel Imports, Market Size and Investment Incentive," presented at the *Symposium on Law, Institutions and Governance*, Singapore, 6-7 August 2007.
- (b) "Geographical Agglomeration in Australian Manufacturing," presented at the 36th *Australian Conference of Economists*, Hobart, 24-26 September 2007.
- (c) "In the Shadow of the China-Australia FTA Negotiations: What Australian Business Thinks about IP," presented at IP Australia, Canberra, 19 December 2007.
- 2006** (a) "Is firm productivity related to firm size and Age? The case of large Australian firms" (with Alfons Palangkaraya and Andreas Stierwald), presented at the *Far Eastern Meeting of The Econometric Society*, 9-12 Jul 2006, Beijing, China.
- (b) "Measuring Hospital Productivity Performance" (with Alfons Palangkaraya), non-technical presentation for the Victorian Dept of Human Services, 6 June 2006, Melbourne.

RESEARCH-RELATED CONSULTANCY PROJECTS

- 2008** "The Effect of Raising the Australian Statutory Inventive Step on the Australian Global Production System," (with Paul Jensen, Alfons Palangkaraya and Beth Webster), research commissioned by IP Australia.
- 2007** "Development of an ASEAN Community Progress Monitoring System," (with Alfons Palangkaraya, Beth Webster, Peter Lloyd and Celia Reyes), a major project commissioned by AusAid with the aim of developing a statistical monitoring system to monitor the progress of ASEAN in moving towards an integrated economic, social, and political and security community.
- 2006** (a) "Funding Public Hospitals in Australia: The Implications of a Single Funder Model," (with Tony Scott and John W. Freebairn) research commissioned by the Australian Labor Party to examine the economic implications of different funding models for public hospitals.
- (b) "Impact of government health expenditure on cardiac disease in Australia," (with Tony Scott and Julia Witt) research commissioned by the Australian Dept of Health & Ageing to examine the contribution of government health expenditure to the decline in incidence of cardiac disease in Australia in the past two decades.

- 2005** “The Long-term Impact of Informal Care Giving on Carers,” (with Alfons Palangkaraya, Wang-Sheng Lee, Nina Van Dyke and Rasika Ranasinghe), project consists of five confidential reports on aspects of informal carers, commissioned by the Australian Government Department of Family and Community Services (FaCs).
- 2004** “Recent Private Health Insurance Policies in Australia: Health Resource Utilization, Distributive Implications and Policy Options,” (with Peter Dawkins, Elizabeth Webster and Sandra Hopkins), report commissioned by the Victorian Department of Premier and Cabinet.
- 2003** “Preventive versus Curative Health Care: The State of Public Health in Australia,” report commissioned by the Victorian Department of Treasury and Finance.
- 2002** (a) “Assessing the Cost Pressures on the Australian Health Care System: Population Ageing and its Impacts,” (with D. Johnson), report commissioned by the Victorian Department of Treasury and Finance.
 (b) “Contributions of Six Selected Capabilities to Economic Growth: Analytical Framework and Review of Empirical Evidence,” (with P. Summers and E. Webster), report commissioned by the Victorian Department of Premier and Cabinet.
- 1998–2000** Served as a member of *Sub-Committee on Smoking Information and Evaluation*, Institute of Health, Singapore, advising the Singapore Ministry of Health on evaluating the economic impact of smoking. Completed a report on “Effects of Cigarette Consumption on Productivity: A Cross-Country Study,” (with E. Quah, S. Saw, and K.C. Tan).
- 1996** “Development of Internationally Competitive Indigenous Manufacturing Firms in Singapore,” (with M.K. Chng, S.Y. Phang and P.K. Wong), report commissioned by the *Foundation for Advanced Studies on International Development*, Tokyo, Japan.

TEACHING, SERVICES AND COMMITTEE DUTIES

Teaching (1993–2002) While at the Department of Economics, National University of Singapore, I taught graduate level courses: Microeconomic Theory, Industrial Organization; undergraduate level courses: Introductory, Intermediate and Advanced Microeconomics, Industrial Organization, Introductory Statistics and Econometrics. My

teaching was consistently ranked within the top 20% in the Department, which has about 70 faculty members. I also taught graduate courses in most years.

Journal editorship I have been an Associate editor for the Singapore Economic Review since 2002. The Review, first published in 1969, is the most influential economic journal in Singapore. As associate editor, I have been assisting in the refereeing process for the journal and assuming an advisory role for the overall direction of the journal.

Committee Work (2003–present at University of Melbourne)

- (a) Executive Committee, Center for Microeconometrics (2004–present)
- (b) Member, Faculty of Economics Commerce IT Committee, 2005–present
- (c) Member, Faculty of Economics and Commerce Research Facilities Subcommittee, 2006–present
- (d) Member, Faculty of Economics and Commerce Library Committee, 2003–05
- (e) I have also served as Selection Committee member in the recruitment process of the Melbourne Institute in five instances.

Committee Work (1993–2002 at National University of Singapore)

- (a) Chairman, Curriculum and Teaching Committee, 2001–02
- (b) Assistant Director, Centre for Advanced Studies, 1998–99
- (c) Year II Coordinator and Counselor, 1994–2001
- (d) Deputy Chairman, Graduate Programme Committee 1996–98
- (e) Served as member of:
Teaching Committee, M.Soc.Sci. Committee, Curriculum Review Committee, Faculty of Science Modular System Committee, Publication Committee, Journal Classification Committee.

SCHOLARSHIPS AND AWARDS

- 1988–93** National University of Singapore Overseas Graduate Scholarship
- 1985–86** Singapore Securities Research Institute Scholarship
- 1984–85** NTUC Gold Medal
NTUC Medal
Lim Tay Boh Memorial Medal
Kwan Im Thong Hood Cho Temple Scholarship
- 1983–84** NTUC Bronze Model

PUBLICATIONS

REFEREED JOURNAL ARTICLES

- (1). A. Palangkaraya, J. Yong, E. Webster and P. Dawkins (*forthcoming*), "The distributive consequences of recent private health insurance policies in Australia: Gainers versus losers," *European Journal of Health Economics*, accepted May 2008.
- (2). A. Palangkaraya and J. Yong (*forthcoming*), "Parallel imports, market size and investment incentive," *Singapore Economic Review*, accepted March 2008.
- (3). Palangkaraya, A., A. Stierwald and J. Yong (*forthcoming*), "Is firm productivity related to size and age? The case of large Australian firms," *Journal of Industry, Competition and Trade*, accepted Nov 2007.
